## Important information for little adventurers and big siblings!

Our children's programs are like two exciting adventure worlds: one for the minis from 3 to 6 years and one for the young explorers from 7 years.

We understand that siblings want to conquer the world together, but not all program items are suitable for all age groups.

Thank you for your understanding - this is how we ensure that every child has an unforgettable experience.

Subject to change.

Have fun with us! Your Happy Club Team
